Other duties assigned are those duties that are related to the job description.

I. Like Positions (Full-Time and Part-Time)

Like positions are defined as positions in the same grade level which have substantial overlap in duties and requirements. For example, when a position requires unique/specialized knowledge, this can make it stand apart and be placed in a different like group.

J. Contingent Employees (Full-Time and Part-Time)

Contingent employees are employed on an as needed basis for short or sporadic periods of employment. Their employment does not consist of a regular or consistent work schedule.

2. Public Information

The Board shall make available public information necessary to conduct negotiations. This shall include relevant financial statistics. 1. Posting of Union Information

The Union shall be provided with a 4' x 8' bulletin board for the posting of notices and materials relating to Union activities. Such materials shall be identified with the name of the Union, signed by an appropriate officer thereof, and shall include an expiration date. Such materials shall not be derogatory to any person.

2. Intracollege Mail Service

The Union shall have the right to use the intracollege mail service and employee mailboxes for the circulation and distribution of internal communications. This authorization shall terminate forthwith if any governmental agency or court of competent jurisdiction shall determine such mail services cannot be utilized without the affixation of postage or payment of fees. This privilege is granted exclusively to the Union. In preparation to use this service, the Union shall be responsible for grouping such mailings by department or location and placing them in standard inter-office envelopes.

3. Equipment and Office Space

- a. The Union shall have the right to use College office and reproduction equipment (e.g., duplicating machines, PC and printer, telephones) and other supplies provided that such use does not occur during the employee's work time and does not otherwise interfere with the normal operation of the College or its programs. The Union shall reimburse the Board for the reasonable cost of supplies and for any extraordinary expenses incurred as a result of misuse or damage to office equipment, normal wear and tear exempted. The Union may also utilize College meeting room facilities by making a request in accordance with College procedures. There shall be no charge for use of facilities where such facilities do not entail any additional costs. When the use of such facilities entails additional expenses, the Board may make a charge consistent with other College organizations.
- b. Employees shall have the right to use College computer equipment for non-business personal use, provided that such use does not occur during the employee's work time and does not otherwise interfere with the normal operation of the College or its programs.
- c. The College shall provide an office for the Union to conduct official business.

C. Right of Representation (Full-Time and Part-Time)

When an employee is required (asked) to appear before a supervisor or other Board representative for oral or written warnings related to job duties and performance, reprimand, suspension, or dismissal, the employee shall be entitled to have a representative of the Union present who will notify their immediate supervisor in advance of such meetings. The employee shall be given twenty-four (24) hour notice in advance of such meeting so they have time to make arrangements for Union representation, unless irreparable harm may ensue.

Time spent on member representation shall be reflected on individual timesheets as union/administration meeting time.

D. Printing and Translation of Agreement (Full-Time and Part-Time)

The Board shall be responsible for the English and Spanish reproduction of the Agreement and they shall be in a printed format mutually agreed upon. The Board shall be responsible for delivering the copies of the Agreement to the Union President within thirty (30) calendar days after the signatures are affixed. E. Employee Personnel Records (Full-Time and Part-Time)

Each employee shall have the right, upon request, to review the contents of their personnel file and to place therein written reactions to any of its contents within thirty (30) calendar days of the filing of the original material. A designee from Human Resources may be present during this review for the sole purpose of ensuring that no materials are removed from the file.

The Board shall maintain only one (1) official personnel file for each individual employee, the file to be located in Human Resources. The employee shall have the right to place documents and materials in their personnel file, including but not limited to responses to evaluations, letters of commendation, notes of appreciation, and other appropriate items. Removal of materials from the personnel file shall occur only with the mutual consent of the employee and the Board. The employee may make photocopies of any and all documents in their personnel file at the customary cost, currently 10 cents per page.

The Board will not place evaluative material in an employee's personnel file until the employee has been given a copy of such material. All evaluative material in an employee's personnel file shall be dated with the date of prior notice to the employee and the date of placement in the file. Access to the employee's personnel file, without express written consent of the employee, will be limited to the employee and the Chief Human Resources Officer or designee.

Employees shall not lose pay when buildings are closed due to an emergency (i.e. inclement weather and power/utilities outage). Any employee who is required to work on a day when the College is closed due to an emergency will be paid one and one-half (1½) times their normal rate of pay in addition to the pay they are entitled to under this section. An employee who reports to work, but who is not required to do so, will be paid their normal rate of pay with no additional compensation.

In the event that a state of emergency is declared by the federal, state, county, village, incorporated township authorities, and/or the College that impacts the working conditions of the College, SSECCA and ECC shall, subject to the submission of a written demand to bargain, engage in impact bargaining.

Union member(s) will notify immediate supervisor(s) in advance of such meetings. This section shall not be applicable to any matter that is the subject of a grievance that is being processed pursuant to Grievance Procedure Steps 1, 2, and 3. Union/Administration Meetings shall be comprised of:

- SSECCA Leadership and HR

Article 9-B Union Orientation, contract negotiations, and contract preparations are excluded from this fifteen (15) hours per week maximum. Hours not used within a week will accumulate, but not to exceed a total of five hundred and fifty (550) hours per each year of the contract except for preparation of contract negotiations, for purposes of attending Union functions, and/or participating in conventions. In the year the contract is being negotiated, SSECCA will have access to an additional two hundred (200) hours for the sole purpose of contract preparations. These two hundred (200) hours will become available to SSECCA after exhausting the initial five hundred and fifty (550) hours. The employee(s) shall suffer no loss of pay or benefits for exercising this right.

Release time will be taken based upon a mutually agreed flexible weekly schedule with the supervisor. This time is to be conducted away from the normal workstation(s) unless mutually agreed to between both parties (the supervisor and employee). Authorized release time taken by Union officials shall be reflected on individual time sheets. UNR is not to be used at the discretion of a member.

Request for release time must be initiated by the SSECCA President or designee, and must be approved by the supervisor of the employee taking the release time. Upon receipt of a SSECCA member status form in writing by an employee, the Board will deduct union dues from the pay of each member of the bargaining unit from whom it receives a copy of their membership application in accordance with the payroll calendar.

The SSECCA Treasurer will verify the amount to be deducted. The union dues will be processed against members' pay each pay period. To change the dues rates and reset members' payment, SSECCA must submit the dues rate information to the Human Resources department in accordance with the deadlines set forth in the payroll calendar.

Such deductions will be remitted to SSECCA within seven (7) working days of the deduction from the payroll department.

If a change in union dues occurs, each member will be given notice by the Union.

- 2. The Union, the Illinois Education Association, and the National Education Association agree to defend, indemnify, and hold the Board harmless against any claim, demand, suit, or other form of liability which may arise by reason of any action taken by the Union or the Board in complying with the provisions of this Article, will not include reimbursement for any legal fees or expenses incurred in connection therewith.**

- 3. Fair Share Nonpaying Members' Dues**

It is recognized that the Union, as the sole and exclusive bargaining agent, entails expenses for the collective bargaining and contract administration which are appropriately shared by all employees who are beneficiaries of said Agreement. These members are covered by the Union for collective bargaining and contract administration in its role as the sole and exclusive bargaining agent. The concept of fair share no longer exists in Illinois due to a Supreme Court case, so the language from 2017

is outdated. If the ruling is someday reversed, though unlikely, we would impact bargain.

4. If you have any questions about membership, please contact the SSECCA Membership Officer. If you have any questions about union dues, please contact the SSECCA Treasurer.

K. Committee Involvement (Full-Time and Part-Time)

SSECCA and the Board recognize the importance of employee involvement in committees that have institutional impact. Therefore, institutional committees shall include representatives of SSECCA with appropriate expertise and availability. The College will work with SSECCA to identify mutually acceptable representation to address institutional goals. SSECCA members should notify, in writing, their immediate supervisor a minimum of forty-eight (48) hours in advance prior to the time of leaving their work area to participate in such College committee activities and the use of Union Administrative Meetings will be used to cover that time away from their work duties.

L. 403(b) and 457(b) Plans (Full-Time and Part-Time)

The Board shall sponsor a 403(b) plan and 457(b) plan and shall provide eligible SSECCA members with the opportunity to elect salary contributions to the plans. Eligible SSECCA members who wish to participate in the plans shall register for salary deferral(s) with the plan carrier(s). Contact HR/Benefits for more information.

ARTICLE 3 Management Rights (Full-Time and Part-Time)

The Board has the responsibility and authority to manage and direct, on behalf of the public, the operations of the College to the full extent provided by law, limited only by the provisions of this Agreement and the Illinois Educational Labor Relations Act.

ARTICLE 4 No Strike/No Lockout (Full-Time and Part-Time)

The Union agrees that for the duration of this Agreement it will not engage in a strike, work stoppage, or slowdown of any kind. The Board agrees that for the duration of this Agreement it will not engage in a lockout of employees.

ARTICLE 5 Grievance Procedure

A. Definition (Full-Time and Part-Time)

A grievance is any claim by the Union or an employee that there has been a violation, misrepresentation, or misapplication of the terms of this Agreement.

B. Procedures (Full-Time and Part-Time)

The parties agree that it is usually most desirable for an employee and their immediately involved supervisor to resolve problems through free and informal communications; therefore, the employee should meet with the immediate supervisor before proceeding to Step 1. When requested by the employee, a Union Representative may accompany the employee to assist in the informal or formal resolution of the grievance. If the informal process fails to satisfy the employee or the Union, a grievance may be processed using the following steps:

Step 1

The employee or the Union may present a grievance in writing to the immediately involved supervisor, or to the person who has the authority to adjust the issue of the grievance, within ten (10) working days following the end of the informal process or within twenty (20) working days following the date of the act or omission giving rise to the grievance or following the date on which the employee knew or, in the exercise of reasonable diligence if that date is later, should have known of such act of omission. The Supervisor will arrange for a meeting of the affected parties within six (6) working days after receipt of the grievance. The Supervisor shall provide a written response to the grievant within ten (10) working days after the meeting. The response shall include a reason for the decision.

Step 2

If the grievance is not resolved to the satisfaction of the employee or the Union at Step 1, then the Union may refer the grievance to the College President or their official designee within ten (10) working days after receipt of the response in Step 1. The College President or their designee shall arrange with the Union Representative for a meeting to take place within ten (10) working days of the College President's receipt of the appeal. Each party shall have the right to include in its representation such witnesses and counsel as each party deems necessary. Within ten (10) working days of the meeting, the Union shall be provided with a written response from the College President or their designee, including the reasons for the decision.

Step 3

If the Union is not satisfied with the disposition of the grievance at Step 2 or if the time limits expire without the issuance of the College President's written reply, the Union may submit the grievance to final and binding arbitration. Within ten (10) working days of receipt of the above notice the parties shall attempt to agree upon an arbitrator. If the parties are unable to agree upon an arbitrator within the ten (10) working day period, the parties shall immediately and jointly request the American Arbitration Association to submit a panel of arbitrators. The American Arbitration Association shall serve as administrators of the proceeding. The Arbitrator's decision shall be final and binding. If a demand for arbitration is not filed within thirty (30) working days of the date for the Step 2 answer, then the grievance shall be deemed withdrawn.

C. Authority of Arbitrator (Full-Time and Part-Time)

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issues submitted in writing and shall have no authority to make any decision or recommendation on any other issue not submitted. The decision of the arbitrator shall be final and binding.

D. Bypass to College President (Full-Time and Part-Time)

If the Union and the College President agree, Step 1 of the grievance procedures may be bypassed and the grievance brought directly to Step 2.

E. Bypass to Arbitration (Full-Time and Part-Time)

If the College President and the Union agree, a grievance may be submitted directly to arbitration.

F. Union Participation - Employee Represented (Full-Time and Part-Time)

The Board acknowledges the right of the Union's grievance representative to participate in the processing of a grievance at any level, and no employee shall be required to discuss any grievance if the Union's Representative is not present.

G. Union Participation - Employee Not Represented (Full-Time and Part-Time)

When an employee is not represented by the Union, the Union shall reserve the right to have its representative present to state its views at any formal stage of the grievance procedure. The administration shall make every effort to notify the Union of any adjustment of a grievance filed at the informal level when the Union is not present.

H. No Reprisals Clause (Full-Time and Part-Time)

No reprisals shall be taken by the Board or the Administration against an employee because of their participation in a grievance.

I. Release Time (Full-Time and Part-Time)

Should a grievance hearing require that an employee or a Union Representative be released from their regular assignment; they shall be released without loss of pay or benefits. Union member(s) will notify immediate supervisor(s), in writing, a minimum of forty-eight (48) hours in advance of such meetings.

J. Filing of Materials (Full-Time and Part-Time)

All records related to a grievance shall be filed separately from the personnel files of the participants.

K. Grievance Withdrawal (Full-Time and Part-Time)

A grievance may be withdrawn at any level without establishing precedent and shall be deemed as never having been filed.

L. Time Limit Extension (Full-Time and Part-Time)

Time limits may be extended by the mutual consent of the Union and the Board.

M. No Written Response (Full-Time and Part-Time)

If no written response or decision has been rendered within the time limits indicated by a step, then the grievance may be processed to the next step.

N. Expense of Arbitration (Full-Time and Part-Time)

Each party shall bear the full cost of its representation in arbitration. The cost of the arbitrator and of the American Arbitration Association shall be divided equally between the parties. If either party requests a transcript of the proceedings, that party shall bear the full cost of

such transcripts. If both parties request a transcript, the cost shall be equally divided. If the arbitrator requests a copy of the transcript, these costs shall be divided equally between the parties.

ARTICLE 6 Working Hours and Overtime

Maintaining regular attendance is a condition of employment and an essential function of an employee's job. Being absent from work diminishes a work unit's ability to fulfill its mission and impacts morale. As specified below, the College has the right to set and modify the work schedule according to the needs of the institution. The College will make a reasonable effort to maintain a work/life balance for its employees.

A. College-Initiated Schedule Change (Full-Time)

The College will modify schedule(s) as follows:

1. When institutional needs require modifications to the schedule, the College will initially seek volunteers for schedule modification.

Employees in order of seniority will have first refusal. The lowest seniority employee may be assigned the schedule. No schedules will be changed if there are budgeted and posted vacancies for that position within the department.

Changes of the days worked or a change of more than four (4) hours in start or end time are considered significant changes to the job; and therefore, will be documented in an updated PDQ and job description (Article 7.K).

2. If the College is unable to find volunteers, the College will meet with the Union to discuss and explain the business need at least ten (10) working days prior to the intended employee notification date. If the Union has concerns regarding the business need, both parties will jointly meet with the College President within five (5) working days of the union notification meeting. The College President's decision will be final.
3. An employee's work schedule or work shift may be changed no more than once per semester with no less than forty-five (45) calendar days' prior notice in writing to the employee. The College and Association may agree to waive the forty-five (45) day notice in extenuating circumstances.

4. Should an employee not be able to work the revised schedule, the Reduction in Force (Article 11) process shall be followed.

B. Working Hours (Full-Time)

Unless an alternative/flex work schedule has been mutually agreed to in writing between an employee and their immediate supervisor, the regular employment work day or week, outside of the summer schedule, shall include:

1. The normal work week shall consist of five (5) consecutive days worked and two (2) consecutive days off, consisting of forty (40) hours per calendar week (Monday through Saturday) and the normal work day shall consist of eight (8) continuous hours. Included in this eight (8) hour period are two (2) fifteen (15) minute paid breaks, one (1) before an unpaid meal period and one (1) after. Break times will be coordinated by the immediate supervisor to ensure coverage and will normally fall near the middle of the four (4) hour shift.
2. Employees shall be entitled to a one (1) hour unpaid meal period unless a different duration less than one (1) hour is mutually agreed to between the employee and their immediate supervisor. Each meal period shall normally fall between the third (3rd) and fifth (5th) hour of the employment day unless mutually agreed to between the employee and their immediate supervisor.
3. Those positions which are required to be available on campus during their entire shift will receive a thirty (30) minute paid meal period and two (2) fifteen (15) minute paid breaks, one (1) before the meal period and one (1) after.

C. Summer Schedule (Full-Time)

Unless an alternative work schedule has been mutually agreed to between an employee and their immediate supervisor, the summer schedule employment workweek shall include:

1. Nine (9) hours of work, Monday through Thursday, for a total of thirty-six (36) hours in the employment week.
2. Employees shall be entitled to a thirty (30) minute unpaid meal period each nine (9) hour day unless a meal period of a different duration is mutually agreed to between the employee and their

immediate supervisor.

3. Regular paid breaks shall be fifteen (15) minutes in duration. Employees shall be entitled to two (2) breaks each day, one (1) before the meal period and one (1) after.
4. Employees shall not lose pay from the regular employment workday during the summer schedule.
5. Some areas of the College may be required to offer services on Fridays. Those areas shall be determined by the College President. In those areas the work week will be nine (9) hours a day, four (4) continuous days for a total of thirty-six (36) hours.
6. The work week for those positions which are indicated in the job description to work outside of the regular employment work week shall be nine (9) hours of work per day, for four (4) continuous days, for a total of thirty-six (36) hours.

D. Overtime (Full-Time)

1. Definition

Overtime is work required by the supervisor in excess of forty (40) hours per week, or thirty-six (36) hours in the summer schedule, for all non-exempt employees. An overtime opportunity is defined as work that a manager needs one or more people to perform.

2. Eligibility

To qualify for overtime pay, an employee must work their scheduled weekly shift of forty (40) hours (thirty-six (36) in the summer) which may include any benefit time. Qualified overtime hours are hours worked that meet the overtime requirements of the Fair Labor Standards Act (FLSA) and shall be reported on W-2's in accordance with the applicable Internal Revenue Service (IRS) regulations.

All work that is normally performed by Bargaining Unit employees must remain as Bargaining Unit employee work. The Parties agree that it is equitable to ensure that all employees in the unit have access to overtime opportunities while still respecting seniority. To achieve this end, overtime shall be offered using the following process:

- The department manager/administration shall maintain an overtime (OT) list based on seniority and overtime opportunities worked. The manager will continuously rotate the OT list until it resets.
- If any employee(s) cannot work an OT opportunity, they will be the first offered the next OT opportunity, following seniority order.
- The list must be accessible to all employees in the department.
- The employee must be trained and/or certified (if applicable) for the work to be done in order to be eligible to be offered the OT opportunity.
- A member must indicate they are able and willing to work an OT opportunity within 24 hours of being offered, unless it is a last-minute OT opportunity.
- The list will reset back to zero (0) opportunities worked for all employees at the start of each semester.
- New employees will be added to the list in seniority order.

The administration will offer overtime to the employees at the top of the overtime list based on the needs identified by the supervisor. The administration will continue offering overtime to employees based on the overtime list until the list is reset. Employees who are scheduled for a full week vacation must notify the supervisor of their overtime availability, in writing, prior to the commencement of vacation. Employees who fail to notify their supervisor of their availability will be considered unavailable.

3. Compensation

Overtime shall be compensated at one and one-half (1 ½) times the normal hourly rate of pay for non-exempt employees except as it applies to Section 4 in this article.

4. Call Back

Emergency work is defined as work that if not attended to immediately would cause hardship to the operation of the department and/or college, and cannot wait until the employee's next regularly scheduled shift. Non-emergency work is defined as work that does not require immediate attention but one that the supervisor would like to have taken care of prior to the employees next regularly scheduled shift. Call back shall be initiated by a supervisor.

- a. All employees who are asked to return to work at their original job assignment, not adjacent to their regular employment workday schedule, shall be compensated for a minimum of two (2) hours at the rate of one and one-half (1 ½) times their normal hourly rate of pay for the call back hours. Mileage will be reimbursed round trip (to and from) their primary residence at the current IRS rate only if called back

after completing a regular employment work schedule. If an employee is called in to work due to emergency work on a non-premium holiday, the call back language will apply.

- b. If any employee (exempt or non-exempt) is contacted by a supervisor outside their shift for emergency work and resolves the request, they will be paid a minimum of two (2) hours of call back pay. If the employee is unable to resolve the request, they shall be compensated as a non-emergency work call (see c. and d. below).
- c. If a non-exempt employee is contacted by a supervisor outside their shift for non-emergency work, they will be paid at the overtime rate in increments of fifteen (15) minutes, for the total time that is spent on the matter. Example: 20 minutes would equal 30 minutes on the time card, paid at the overtime rate.
- d. If an exempt employee is contacted by a supervisor outside their shift for non-emergency work, they will accumulate compensatory time, in increments of fifteen (15) minutes, for the total time spent on the matter.
- e. If a supervisor contacts an employee outside their shift and does not indicate non-emergency work, it is considered emergency work and shall be compensated at the agreed upon pay terms listed in 4a.

E. Compensatory Time - Non-Exempt Employees (Full-Time)

Any time worked by a non-exempt employee over forty (40) hours per week or thirty-six (36) hours per week during the summer schedule shall be considered overtime and shall be compensated at one and one-half (1 ½) times the employee's regular rate of pay as calculated pro-rata, except under the following conditions:

1. When overtime pay is due a non-exempt employee, the employee may request compensatory time off in lieu of overtime pay. Such time off shall be calculated by multiplying the hours worked over forty (40) in a week by one and one-half (1 ½). (Example: One (1) hour worked over forty (40) in a week equals one and one-half (1 ½) hours of time off at regular pay or thirty-six (36) hours during the ten (10) week summer period).
2. The employee shall be entitled to accumulate time off in lieu of overtime pay up to forty (40) hours. In no case shall such time be accumulated to more than forty (40) hours.
3. Compensatory time may be taken in fifteen (15) minute increments or more, up to the maximum earned. Use of compensatory time is at the employee's choosing and may be

denied only if taking of said leave will create a hardship for the department and then only to the extent that other accommodations have been explored.

4. All requests for use of compensatory time must be submitted in writing at least ten (10) working days in advance of the leave. The supervisor must approve or deny, in writing, the request within five (5) working days of the request.
5. Compensatory time requests maybe be submitted less than ten (10) working days in advance of the leave; however, sections 3 and 4 do not apply. Approval of the request shall be at the discretion of the supervisor. If the request is denied, a reason shall be given to the employee.
6. If time off is denied, the supervisor will promptly initiate the payment of the denied compensatory hours. Compensatory hours will be paid on the following pay period.

F. Compensatory Time - Exempt Employees (Full-Time)

1. Definition

Compensatory time is work required by the supervisor in excess of forty (40) hours per week or thirty-six (36) hours per week during the ten (10) week summer period performed by exempt employees.

2. Eligibility

Compensatory time shall be offered to employees within the department in order of seniority.

3. Compensation

Employees exempt from overtime shall be entitled to time off to compensate for hours worked over forty (40) per week at the rate of one to one (1:1). In no case shall compensatory time accrue in excess of forty (40) hours.

4. Usage

Compensatory time may be taken in fifteen (15) minute increments or more, up to the maximum earned. Use of compensatory time is at the employee's choosing and may be denied only if taking said leave will create a hardship for the department and then only to the extent that other accommodations have been explored.

All requests for use of compensatory time must be submitted in writing at least ten (10) working days in advance of the leave. The supervisor must approve or deny, in writing, the request within five (5) working days of the request.

Compensatory time requests may be submitted less than ten (10) working days in advance of the leave; however, section 4 paragraphs 1 and 2 above do not apply. Approval of the request shall be at the discretion of the supervisor. If the request is denied, a reason shall be given to the employee.

G. Alternate Work Schedule (Full-Time)

1. Definition

An employment work schedule which is mutually acceptable to the employee and their immediate supervisor which occurs on a regular basis in which the employment hours and/or days vary from the regular work schedule and/or the summer schedule.

2. Employees may request an alternate work schedule for employment hours and/or days. Employees who desire an alternate schedule shall submit a written request to their immediate supervisor.
 - a. A meeting between the two parties shall be held to clarify and confirm details of the alternate schedule.
 - b. Employees working with an alternate work schedule are still expected to perform work duties in a timely manner.
 - c. The supervisor shall provide a written approval/denial or other response to the employee within ten (10) working days of receipt of a written request.
 - d. Denied requests may be appealed within ten (10) working days to the next level of administration whose decision shall be final.
 - e. Appeals will be resolved within ten (10) working days and both parties (employee, immediate supervisor) will be notified of the decision in writing.

Each approved schedule shall be non-precedential and subject to revision and/or rescission after a trial period of one (1) semester. A meeting between the two parties shall be held prior to the end of the semester to determine if the alternate schedule will continue.

H. Flex-Time (Full-Time)

1. Definition

An employment work schedule which is mutually acceptable to the employee and their immediate supervisor which occurs on a temporary basis in which the employment hours, days, and/or location varies from the regular work schedule, work site, and/or the summer schedule.

2. Employees may request flex-time on short notice or for unplanned events. Such requests shall be approved or denied, in writing, at the supervisor's sole discretion. Otherwise, employees who desire flex-time shall submit a written request to their immediate supervisor:

- a. A meeting between the two parties shall be held to clarify and confirm the details, which will include the time limitation.
- b. Employees working with a flexible work schedule are still expected to perform work duties in a timely manner.

The SSECCA Membership Officer or designee will meet with new hires after the last hour of the orientation session (4:00 to 5:00 p.m.). Release time shall be utilized by the Union representatives to present the information.

C. Transfers (Full-Time)

A current employee who transfers into a new position shall serve a probationary period in the new position. Probationary and newly transferred employees will be evaluated according to Article 7, K, of the current contract. However, if during the probationary period the employer, or the employer and employee mutually agree that the employee should not continue in the new position, the employee shall be transferred back to a job in their previous job group when a job becomes available.

The employee shall receive their previous salary/rate of pay in the event of a transfer back to the former job group, and any salary/rate of pay increase given the former job group will be given to the employee who transferred back.

Any full-time employee who is transferred temporarily to another position as a replacement for another employee on an approved leave of absence shall not be required to serve a probationary

period. Should the employee on leave terminate their employment, the position shall be declared vacant and all terms of Article 9, Section A shall apply.

When possible, an employee who wishes to resign their position shall notify the College at least twenty-one (21) calendar days prior to the last date of employment.

E. Temporary Employees (Full-Time and Part-Time)

1. Replace employees who are absent due to illness, work-related injury, leave of absence, or child rearing leave;
2. Cover positions for employees during temporary promotions; and
3. Seasonal grounds workers hired to work a maximum of one hundred-eighty (180) days.

F. Grant Funded Positions (Full-Time and Part-Time)

The Board and the Union recognize that as a condition of employment, employees who are being paid out of the restricted funds, are hired only for the duration of the grant for which they work. Therefore, it is agreed that these employees shall enjoy all the rights and benefits of this Agreement except Article 11. Further, it is agreed that should the grant expire, every effort shall be made to absorb these employees into the College system.

Those employees who have been employed prior to July 1, 1998, under the conditions of a grant shall enjoy all rights and benefits of this Agreement except Article 11 for a period of one (1) year after initial hire. After a period of one (1) year, these employees shall enjoy all rights and benefits of the Agreement without restrictions.

G. Probation (Full-Time and Part-Time)

The purpose of the probationary period of employment is to allow time for the immediate supervisor to orient an employee to the work requirements and expectations of the position and to determine whether or not the employee demonstrates satisfactory knowledge and skills in the performance of the work requirements and expectations of the position. The probationary period is also intended to afford the employee an opportunity to become adapted to the work required, to the department, and to determine whether they wish to continue in the position.

If during the initial probationary period, an employee accepts a new position within the Bargaining Unit, their initial probationary period will commence with the most recent date of hire. For salary schedule placement purposes, the individual will be treated as a new employee.

All new employees shall serve a ninety (90) calendar day probationary employment period. This provisional period may be extended for two (2) additional periods of ninety (90) calendar days at the option of the Board or its designee. If the probationary period is extended, the probationary employee and the Union shall be given reasons in writing for each extension. A probationary employee may be dismissed without cause at any time during any of these provisional periods and such dismissal shall not be subject to the grievance procedure. At the successful conclusion of the probationary period, the employee and the Union will be notified in writing, within ten (10) working days, by the Human Resources Office that the employee is now considered a continuing employee.

Within the new or newly transferred employee's first ten (10) working days, Human Resources or the immediate supervisor shall explain the purpose of the probationary period. In addition, the immediate supervisor shall explain the expectations regarding performance in the new position and provide training that covers the specific duties and responsibilities of the position. During the probationary period, the immediate supervisor shall observe and assess the employee's job performance and work methods. The immediate supervisor shall establish criteria or checkpoints to determine normal progress expected in the new employee. The employee's performance shall be evaluated against these criteria or check points, in writing, at forty-five (45) and ninety (90) day intervals. Problems and deficiencies, as well as successes shall be reviewed with employees with instructions provided on how to improve.

1. Part-Time service at the College
2. Lot

C. Part-Time Seniority Conflicts

If it becomes necessary to resolve conflicts of seniority between employees with the identical length of continuous Part-Time service at the College, the following factors shall be used in this order:

1. Official date of hire with the College in a Bargaining Unit position.
2. Lot

ARTICLE 11 Reduction in Force (Full-Time and Part-Time)

If for any reason the Board acts to eliminate positions to decrease the number of employees in the Bargaining Unit, the following procedures shall govern such reduction in force:

- A. The Board shall provide notice in writing to the Union regarding the pending reduction in force at least thirty (30) days prior to the commencement of the actual reduction. The Board shall provide current seniority lists for Full- and Part-Time employees in the Bargaining Unit to the Union prior to the meeting.
- B. The Administration shall meet with the Union on the following:

 3. Review of the seniority lists for accuracy
 4. Review of layoff and recall procedures as written in Article 11

5. Notification of impacted employees
 6. The contents of a packet of information to be provided to each impacted employee
 7. Review of any documentation from the employee file relative to their skills and qualifications that can be verified to prove the employee's ability to fill a position
 8. The statement jointly authored by the Union and the Board to communicate the impact of the reduction in force to all employees upon completion of the action
- C. The Administration shall provide notice to an impacted employee no less than fourteen (14) calendar days prior to the commencement of the reduction. The Board, at its discretion, may substitute pay at the employee's regular rate of pay and schedule in lieu of notification.
- D. Employees shall be laid off in the following order:
1. Contingent, Seasonal, and Temporary employees performing duties essentially similar to jobs performed by Part-Time or Full-Time employees affected by the layoff shall be laid off first.
 2. Part-Time employees shall be removed from service in reverse order of their respective lengths of service (last hired, first laid off) as determined by seniority.
 3. Full-time employees shall be removed from service in reverse order of their respective lengths of service (last hired, first laid off) as determined by seniority.
 4. Employees that are above the salary/rate of pay maximums for their grade as of the effective date of this agreement shall suffer no loss of pay during a reduction in force.
- E. Placement into Vacant Positions: Reduced employees shall be placed in any vacant, non-grant funded, Bargaining Unit position at the highest grade, not to exceed their current grade, for which they have the ability to perform the minimum job requirements based on the essential duties and minimum qualifications of their current job and the contents of their personnel file. If multiple available positions exist in the same grade the reduced employee may select between them. Part-Time employees may only transfer to other Part-Time positions, Full-Time employees may transfer into either Full-Time or Part-Time positions. If placed in a lower position, their placement on the salary schedule would be matched with their current rate of pay, or placed at the maximum of the range if their current salary/rate of pay exceeds the range. If an employee's option would be a vacant

position and moving into this position would cause a loss of pay, the employee may opt to instead exercise their bumping rights in accordance with Section G.

- F. **Bumping Probationary Employees:** In the event there are no vacant positions for which the reduced employee is qualified, the reduced employee may bump any probationary employee in the Bargaining Unit from a position, at the employee's current grade or lower, for which the reduced employee has the ability to perform the minimum job requirements based on the essential duties and minimum qualifications of their current job and the contents of their personnel file. Employees in positions funded in whole or part with grant funds will not be bumped. Part-Time employees may only bump into other Part-Time positions, Full-Time employees may bump into either Full-Time or Part-Time positions. If placed in a lower position, their placement on the salary schedule would be matched with their current rate of pay, or placed at the maximum of the range if their current salary/rate of pay exceeds the range. If an employee's option would be to bump a probationary employee and moving into this position would cause a loss of pay, the employee may opt to instead exercise their bumping rights in accordance with Section G.
- G. **Bumping Regular Employees:** In the event there are no probationary employees within the same grade or lower in the Bargaining Unit or the reduced employee does not have the ability to perform the minimum job requirements of any probationary employee at the same grade or lower, then the reduced employee may bump the least senior Full-Time employee in the Bargaining Unit from a position (within their same grade or lower) for which the reduced employee has the ability to do the work based on the essential duties and minimum qualifications of their current job and the contents of their personnel file. Part-Time employees may only bump into other Part-Time positions, Full-Time employees may bump into either Full-Time or Part-Time positions. If placed in a lower position, their placement on the salary schedule would be matched with their current rate of pay, or placed at the maximum of the range if their current rate of pay exceeds the range. Employees in positions funded in whole or part with grant funds will not be bumped.
- H. **Voluntary Layoff:** A reduced employee may accept a layoff and be placed on the recall list instead of accepting a vacant position or bumping into another job which is currently occupied. The employee's decision to be placed on the recall list shall count as a

refusal under Section I.

- I. Recall Rights: If a reduced employee is unable to secure an immediate position at the College through bumping and/or seniority, said employee shall be laid off subject to recall. Recall rights shall extend for twelve (12) months from the date of the final layoff action performed by the College. If job vacancies within the Bargaining Unit become available within the twelve (12) month period, employees shall be recalled to work in order of seniority, provided they are capable of returning to work and performing the minimum duties required for the vacant position.

An employee may refuse a position two (2) times and retain their seniority status on the recall list. A reduced employee who refuses recall for a third and final time shall be considered as having voluntarily surrendered their recall privileges and have fully separated from the College.

- J. Return from Recall List: All benefits to which an employee was entitled at the time of their layoff (including, but not limited to, unused accumulated sick leave and seniority), will be restored to the employee upon their return to active employment.

The employee will be placed on the salary schedule at their previous rate of pay, or placed at the maximum of the range if their previous rate of pay exceeds the range. An employee on the recall list shall provide Human Resources with any change of address while awaiting recall. Notice of recall shall be made in writing by certified or registered mail to the employee's last known address on file with Human Resources. If the employee fails to report to work within ten (10) working days after recall notice is received, or fails to notify the College that they wish to pass over this particular position, the employee shall be considered to have abandoned recall rights and have fully separated from the College and voluntarily resigned. The ten (10) working day timeframe may be extended by mutual agreement of the Board and the employee.

- K. Evaluation Period: Any employee who bumps another employee from a position, or who is recalled to a position, shall be subject to a 30-day, 60-day, 90-day performance evaluation period. If the employee requests union representation at any of these meetings, the request will be granted.

1. After thirty (30) calendar days on the new job, the supervisor will meet with the employee to assess performance and expectations. If the thirty (30) day evaluation is unsuccessful, a performance improvement plan will be put in place. At this time the employee may elect to return to the recall list. This action will count as a refusal as per recall language in Section I.
2. After sixty (60) calendar days on the new job, the supervisor will meet with the employee to assess performance and expectations. If the thirty (30) day evaluation was unsuccessful and no substantial improvement has been made since, the Board may elect to return the employee to the recall list. This action will count as a refusal as per recall language in Section I.
3. After ninety (90) calendar days on the new job, the supervisor will meet with the employee to assess performance and expectations. In the absence of acceptable performance at the end of the ninety (90) calendar day period, the employee shall be laid off subject to the recall provisions of this Agreement. This action will count as a refusal as per recall language in Section I. The Board at its discretion may instead extend the evaluation period.

ARTICLE 12 Discipline/Just Cause (Full-Time and Part-Time)

The College agrees that disciplinary action shall be in a timely fashion with progressive and corrective discipline.

No continuing employee may be dismissed, suspended, or otherwise disciplined without pay, except for just cause. Nothing in this Article shall preclude the Board from exercising reduction in force.

- A. Human Resources shall schedule an investigatory meeting with the employee and SSECCA prior to issuing disciplinary action, except in cases of emergency. The College recognizes the employees right to representation under Article 2-C.

Progressive discipline can include a wide range of disciplinary actions, depending on the circumstances, including some or all of the following:

1. Verbal warning
2. Written warning
3. Suspension with or without pay

4. Termination of employment
- B. Discipline records shall be removed from member's personnel file after 3 years for verbal & written notices, and after 5 years if suspended. See also Article 2-E.

3. Within ten (10) working days of the effective date of hire, the Union will be provided with the new member's salary/rate of pay, and hire date.

C. Return to Bargaining Unit (Full-Time)

If an employee accepts an ECC position outside of the Bargaining Unit and subsequently returns to a position in the Bargaining Unit, the employee will be credited with the same number of years of seniority as they had when they left. Vacation time will be calculated based on the number of total years of service to the College. The returning employee's salary/rate of pay will be negotiated with the Union.

If an employee accepts a position outside of the College and is subsequently re-hired for a Bargaining Unit position within three years of their departure, then they will lose one year of seniority for every year that they were not in the Bargaining Unit. The returning employee will be treated as a new employee for purposes of salary/rate of pay determination.

D. Position Changes or Promotions (Full-Time and Part-Time)

The College uses two wage and salary pay ranges, P50 and P75, to align employee compensation with labor market conditions and to support the recruitment and retention of qualified employees.

1. Movement Within the Same Wage and Salary Pay Range (P50 to P50, or P75 to P75)
 - a. An employee who is promoted to a position in a higher classification/grade level will receive the commensurate salary/rate of pay for the classification/grade level to which the position has been assigned based on their level of education, experience, and requirements of the position but not less than a ten (10) percent increase in their current salary/rate of pay. The employee's salary/rate of pay will not exceed the maximum of the new classification/grade level.
 - b. An employee who applies for and accepts a position in a lower classification/grade level may retain their current salary/rate of pay so long as they do not receive a higher salary/rate of pay than a current member within the same classification/grade level in a like position; however the employee's salary rate of pay will not exceed the maximum salary/rate for the classification/grade level.
 - c. A lateral transfer is considered movement into a job that is the same classification/grade level as their current position. An employee who applies for and accepts a position in a lateral classification/grade level will receive the commensurate salary/rate of pay the classification/grade level to which the position has been assigned based on their level of education, experience, requirements of the position, any training required for the new position they are moving into, and the employee's performance history, the location of the employee's salary on the salary range, and may receive an increase of up to two (2) percent in their current salary/rate of pay. The employee's salary/rate of pay will not exceed the maximum salary/rate for the classification/grade level.
2. Movement Between Different Wage and Salary Pay Ranges (P50 to P75, P75 to P50)
 - a. Moving to a higher classification/grade from P50 to P75: An employee who applies for and is offered a position in a higher classification/grade and they are moving from P50 to P75, they shall follow the procedure outlined in Section D-

1a. After calculation of the applicable salary/rate of pay increase, the employee's salary/rate of pay shall be placed on the appropriate salary range (P75) and reviewed to ensure the new salary/rate of pay is equitable within the same like group based on comparable qualifications, relevant years of experience at ECC, and education, but not less than a ten (10) percent increase in their current salary/rate of pay.

Moving to a higher classification/grade from P75 to P50: If an employee applies for and is offered a position in a higher classification/grade and is moving from P75 to P50, they shall follow the procedure outlined in D-1a, but any rate exceeding the highest equitable rate of an existing member within the same like group shall be adjusted in accordance with this Agreement and is intended to maintain equity among employees performing similar work with comparable qualifications. The employee's salary/rate of pay will not exceed the maximum salary/rate for the classification/grade level.

- b. Moving to a lower classification/grade: An employee who applies for and is offered a position in a lower classification/grade that is assigned to a different pay range shall also follow the procedure as outlined in Section D-1b. The employee shall retain their existing salary/rate of pay, provided the salary/rate of pay is equitable within the same like group based on comparable qualifications, relevant years of experience at ECC, and education. Upon placement on the applicable salary table (P50 or P75), any salary/rate of pay determined to be inequitable shall be adjusted in accordance with this Agreement and is intended to maintain equity among employees performing similar work with comparable qualifications. If the employee's salary/rate of pay exceeds this level, it shall be decreased to the highest equitable salary/rate of pay within the like group. The employee's salary/rate of pay will not exceed the maximum salary/rate for the classification/grade level.
- c. Lateral move from P50 to P75: An employee who applies for and accepts a position in a lateral classification/grade level and transfers from a P50-designated position to a P75-designated position shall follow the procedure outlined in Section D-1c, and then shall be placed on the P75 salary table at a salary/rate of pay that is equitable within the same

like group based on the comparable qualifications, relevant years of experience at ECC, and education. The employee's salary/rate of pay may increase, but will not decrease; however, the employee's salary/rate of pay will not exceed the maximum salary/rate for the classification/grade level.

- d. Lateral move from P75 to P50: An employee who applies for and accepts a position in a lateral classification/grade level and transfers from a P75-designated position to a P50-designated position, may retain their current salary/rate of pay, provided the salary/rate of pay is equitable within the same like group based on comparable qualifications, relevant years of experience at ECC, and education. The employee's salary/rate of pay shall not exceed the salary/rate of pay paid to the highest paid employee within the like group with comparable qualifications. If the employee's salary/rate of pay exceeds this level, it shall be decreased to the highest equitable salary/rate of pay within the like group. The employee's salary/rate of pay will not exceed the maximum salary/rate for the classification/grade level.

ARTICLE 19 Part-Time Conditions for Employment

A. Working Hours (Part-Time)

1. We will recognize that our part-time employees are a flexible workforce; however, every effort will be made to provide adequate notice of their work schedule.
2. Employees are entitled to breaks as follows:
 - a. Fifteen (15) minute paid break during the first four (4) hours of continuous work. Break times will be coordinated by the immediate supervisor to ensure coverage and will normally fall near the middle of the four (4) hour shift.
 - b. Fifteen (15) minute paid break and thirty (30) minute unpaid meal period for six (6) or more hours, but less than eight (8) hours of continuous work.
 - c. Two (2) fifteen (15) minute paid breaks and one (1) hour unpaid meal period for eight (8) or more hours of continuous work. The meal period should normally fall between the third (3rd) and fifth (5th) hour of employment unless an alternate schedule is mutually agreed to between the employee and their immediate supervisor.

B. Paid Time Off (PTO) (Part-Time)

1. Employees will accrue paid time off (PTO) on a bi-weekly basis based upon their hours worked and their length of continuous, completed service. The rate of accrual per hour worked will be calculated per the following schedule:

Years of Continuous, Completed Service	0-3	4-5	6-7	8-9	10+
PTO Rate	0.0898	0.0939	0.0980	0.1020	0.1061

PTO may be used at the employee’s choosing and may be denied only if it creates a hardship for the department, and then only to the extent that other accommodations have been explored. PTO may also be used, at the employee’s discretion, for any scheduled holidays and/or College breaks.

2. PTO may be taken in fifteen (15) minute increments.
3. Notice of planned use of PTO time shall be given in writing to the immediate supervisor or designee at least twenty-four (24) hours in advance, except in an emergency, (inclement weather may be considered an emergency) when such notice shall be given orally as soon as possible, and thereafter promptly confirmed in writing.
4. Employees may carry over a maximum of one hundred fifty (150) hours on September 1. Any hours exceeding one hundred fifty (150) will be forfeited. No annual payouts of unused PTO will be made.
5. Upon termination of employment, PTO earned, but not used (up to 100 hours), shall be paid at the employee’s current rate of pay.
6. This Article complies with the Illinois Paid Leave for All Workers Act [820 ILCS 192].

C. Unpaid Time Off (Part-Time)

Recognizing the flexible nature of the Part-Time labor force, Part-Time employees may request unpaid time-off. Requests shall be given in writing to the immediate supervisor or designee. Approval of unpaid time-off will be made at the supervisor’s discretion. The

supervisor must approve or deny the request in writing. If the request is denied, a reason shall be given to the employee.

D. Tuition Reimbursement (Part-Time)

Each part-time employee shall have the right to receive reimbursement of tuition for credit courses taken at Elgin Community College.

1. Members may accumulate up to thirty (30) credit hours per year to their tuition reimbursement account. The accumulation earned will be prorated each pay period based upon actual hours worked. Members will earn .0204 credit hours per actual hours worked per pay period.
2. There is no limit to the amount of credit hours an employee may accumulate in their tuition reimbursement account. Upon termination, any remaining credit hours will be forfeited. Credit hours forfeited are non-compensable.
3. Reimbursement is for credit classes taken at the College and may be used for self, spouse, and children age twenty-five (25) or younger.
4. To receive reimbursement, an employee must be actively employed at the end or completion of the course and the employee, employee's spouse or children age twenty-five (25) or younger must earn a grade of "C" or better. If the course is graded on a pass/fail scale, the grade earned must be "pass". The tuition reimbursement is limited to tuition only. Other fees must be paid by the individual and will not be reimbursed, including, but not limited to laboratory fees, course fees, supplies, textbooks, etc.
5. Tuition credits will be awarded in whole hours and cannot exceed the balance of credits an individual has accumulated at the time of the reimbursement request.
6. Qualified individuals, within thirty (30) working days after successful completion of a College course, will submit a request for reimbursement to the Human Resources Department. The request will be validated both for eligibility and course grade by the Human Resources Department and the Business and

Finance Department.

E. Hourly Wages (Part-Time)

See Article 18A and Appendix E.

F. Shift Differential (Part-Time)

Those part-time employees who work between 11:00 p.m. and 7:00 a.m. will receive a shift differential of 10% of their salary for only those hours actually worked. Meal breaks are unpaid as outlined in this Article Section A.

G. Bereavement (Part-Time)

See Article 15 E.

ARTICLE 20 Inappropriate Workplace Behavior

A. Inappropriate Workplace Behavior (Full-Time and Part-Time)

1. Equal Employment Opportunity and Affirmative Action Statement
See Administrative Procedure 3.402 for complete administrative detailed procedures.

The Board and the Union, in accordance with applicable law, shall not discriminate, or tolerate discrimination, against any employee on the basis of race, color, national origin, ancestry, sex/gender, age, religion, disability, pregnancy, veteran status, marital status, sexual orientation (including gender-related identity), order of protection status, or any other status protected by applicable federal, state, or local law in matters of employment, or membership or participation in, or association with, the lawful activities of any organization.

The College's policies and procedures regarding the investigation and resolution of alleged or suspected violation of the College's policy against discrimination, harassment, and retaliation (as set forth in Administrative Procedure 3.403).

2. Discrimination, Harassment, and Retaliation

See Administrative Procedure 3.403 for complete administrative detailed procedures.

Sexual harassment is defined as any unwelcome advances or requests for sexual favors or any conduct of a sexual nature* when:
a) submission to such conduct is made either explicitly or implicitly a

term or condition of employment; b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or c) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment. A hostile work environment exists if a person's conduct (unwelcomed sexual conduct) "unreasonably interferes" with an employee's work performance or creates "an intimidating, hostile or offensive working environment."

*Behaviors which, if unwelcome, may be perceived as sexual harassment can be verbal, non-verbal or physical. Verbal harassment may include, but not be limited to, epithets, derogatory comments or jokes, suggestive and insulting sounds, or whistling. Physical acts may include obscene gestures, touching, leering, pinching, and brushing the body. Non-verbal behavior may include displaying offensive posters, cartoons, pictures or drawings.

3. Bullying in the Workplace

Workplace bullying refers to *repeated*, unreasonable actions of individuals (or a group) directed towards an employee (or a group of employees), which are intended to intimidate, degrade, humiliate, or undermine; or which create a risk to the health or safety of the employee(s).

Bullying behavior may include, but not limited to, an abuse or misuse of power and may create feelings of defenselessness and injustice in the target and undermines an individual's right to dignity at work.

4. Reporting Procedures

The Board has determined that bullying in the workplace, hostile working environment and a working environment wherein sexual harassment of employees are permitted fosters disrespect for fellow employees and supervisors, interferes with an employee's work performance, and creates an intimidating work environment. Accordingly, sexual harassment of employees, hostile work environment, and bullying in the workplace shall not be permitted.

- a. Employees who are the victims of sexual harassment, hostile work environment, or bullying must notify the College through the Title IX Coordinator and HR Generalist and the Chief Human Resources Officer. A witness of such behavior may also file a complaint using the reporting procedures.
- b. When requested by the employee, a Union Representative may accompany the employee.

- c. A formal report shall be made in writing, detailing the specifics of the charge to the Title IX Coordinator and HR Generalist and the Chief Human Resources Officer.
- d. Upon receipt of a charge or complaint, an investigation shall be conducted in a timely fashion and a proposed remedy shall be proffered to all affected personnel.
- e. If the employee is dissatisfied with the response of the Title IX Coordinator and HR Generalist or the Chief Human Resource Officer, they may use the grievance policy as stated in this contract or file a complaint with EEOC.

ARTICLE 21 (PDQ) Position Description Questionnaires and Job Descriptions

A. Position Description Questionnaires and Job Descriptions for New Positions (Full-Time and Part-Time)

1. A Position Description Questionnaire (PDQ) will be developed for each Union position and submitted to the Human Resources Department for evaluation and classification.
2. PDQ's will be evaluated using the Hay methodology and classified by a panel of employees who have been trained in the Hay Group methodology. A PDQ evaluation and classification panel will consist of no fewer than two (2) members with one (1) member representing the Union and at least one (1) member representing the Board. Human Resources will write the job description based on the PDQ reviewed by the Hay Committee. The job description will be reviewed by the supervisor and the Union.
3. Job descriptions will contain the following elements: position code, job title, employee group, salary grade, FLSA status, supervisor's job title, date of preparation or update, purpose of job, Hay Group element summary, including classification level, required knowledge, skills, abilities, essential duties, other duties, and American with Disabilities- (ADA) related factors. All job descriptions will be reviewed by the Union and supervisor prior to implementation, distribution or posting.

If the Union does not agree with elements of the job description, the Union has the right to submit a written appeal to the Human Resources Department within ten (10) working days of receiving

the job description stating its concerns or objections. The Human Resources Department will meet with the Union to discuss the concerns or objections articulated in the written appeal. The Chief Human Resources Officer will make the final decision and will provide a copy of the final job description to the Union and supervisor. This will become the official job description until such time that modifications are made in the job.

B. Request for Position Classification Review (Full-Time and Part-Time)

Every employee shall be provided a copy of their PDQ. If an employee believes that the essential duties or another major element of their position has changed substantially:

- a. The employee should prepare a revised PDQ using “Track Changes” on the most recent version and the supervisor section must be completed.
- b. The PDQ must be signed by the employee and by the employee’s immediate supervisor.
- c. The changes to the work must be noted.
- d. The PDQ must include the date when the noted work changes began in order to be considered for review.
- e. Once completed, the form should be submitted via email to the Human Resources Department for review and copied to all parties involved (supervisor/employee).
- f. PDQ updates do not automatically change the grade level. Depending upon the evaluation, grade levels may stay the same, increase, or decrease.

PDQ’s which are incomplete will be returned. No incomplete forms will be considered for review.

The Human Resources Department will convene a PDQ evaluation and classification panel on fixed, published dates at least six (6) times per year. The Hay panel will consist of no fewer than two (2) members trained in the Hay Group methodology with at least one (1) but no more than two (2) members representing the Union and at least one (1) but no more than two (2) members representing the Human Resources Hay Review Committee. The Panel will make every effort to reach a consensus on the status of each PDQ.

If the panel concludes that the position should be assigned to a higher classification level, the employee will receive the minimum rate of pay for the classification level to which the position has been

assigned, or a ten (10) percent increase in their current rate of pay not to exceed the maximum rate of pay for the new classification level, whichever amount is greater.

The effective date of a position reclassification will be the date that the supervisor initially submits the PDQ to Human Resources for review. Human Resources will write the new job description based on the PDQ reviewed by the Hay Committee. The job description will be reviewed by the supervisor and the Union.

An employee who disagrees with the outcome of a position evaluation and classification review may appeal within ten (10) working days of receipt of notification of the results by submitting a revised PDQ and written explanation of the basis of their disagreement to the Hay Appeal Panel. The PDQ evaluation and classification appeal panel will consider the employee's appeal at the next separately scheduled meeting. The appeal panel will consist of one (1) member selected by the Union, one (1) Human Resources Hay Review Committee member, and a facilitator from Human Resources. Every effort will be made to include experienced panel members. A member from the original review committee will provide an introduction, when feasible. Notification of the panel's appeal decision and a copy of the final PDQ will be sent to the employee, the employee's supervisor, and the Union within five (5) working days. The panel's appeal decision will be final and will not be subject to further appeal. Requests for a position classification review may be submitted anytime during the year, but only once in a 12-month period.

C. Position Redesign (Full-Time and Part-Time{XE “Position Redesign (Full-Time and Part-Time)”}

The Human Resources Department will meet with the Union whenever internal or external forces, institutional needs, or other factors require modifications to the essential duties or another major element of an employee’s position. When a position must be redesigned, a new PDQ will be developed and submitted to the Human Resources Department by the supervisor. The Human Resources Department will convene a PDQ evaluation and classification panel on fixed, published dates at least six (6) times per year. The Hay Group will consist of no fewer than two (2) members trained in the Hay Group methodology with at least one (1) but no more than two (2) members representing the Union and at least one (1) but no more than two (2) members representing the Human Resources Hay Review Panel.

The redesigned position will not be treated as a vacancy, and the incumbent will continue in it. If professional development is required for the incumbent to fulfill the duties of the redesigned position, they will be given the opportunity to acquire the necessary skills within a mutually agreed upon time period.

If the position redesign and subsequent PDQ evaluation causes the position to be assigned to a higher classification level, the incumbent will receive the minimum rate of pay for the classification level to which the position has been assigned, or a ten (10) percent increase in their current rate of pay not to exceed the maximum rate of pay for the new classification level, whichever amount is greater.

The effective date of a position reclassification due to a position redesign will be the date the PDQ was submitted to Human Resources.

Like positions are defined under Article 1-l.
