

# Elementary Education

Earn your teacher-licensure degree in elementary education with Bilingual/ESL endorsement from Northern Illinois University at Elgin Community College.

Our NIU College of Education and Elgin Community College partner to provide a four-year degree path, with a seamless transition from ECC to NIU, so you can obtain your degree — without leaving Elgin.

We accomplish this through NIU's **PLEDGE** (Partnering to Lead and Empower District-Grown Educators) initiative, which combines innovative strategies, impactful programs and purposeful collaboration with ECC to expand and diversify the educator workforce to match the diversity of students in Elgin-area schools.

**PLEDGE** program highlights:

- Complete the same teacher-licensure program offered in DeKalb on NIU's main campus.
- You and your cohort colleagues will move through the program together, so you'll get to know each other and have a supportive network as you complete your full-time program.
- Each professional semester includes an intensive clinical placement where you'll practice what you're learning and receive feedback for continuous improvement.
- All student teaching and clinicals will be completed in local districts.
- Co-teaching model during final professional year.

## Let's get started:

Reach out to ECC at [advising@elgin.edu](mailto:advising@elgin.edu) or 847-214-7390 or email NIU College of Education at [coestudentsuccess@niu.edu](mailto:coestudentsuccess@niu.edu) with questions or to make an academic plan.

Explore financial aid options at [elgin.edu/financialaid](http://elgin.edu/financialaid) and complete your FAFSA at [fafsa.gov](http://fafsa.gov).

**You have future plans; we'll help you achieve them.**
